- 25.02 The parties also recognize that if the purposes and objectives of NSCAD University are to be served the Employer must attract and retain the best possible employees, and that its ability to do so depends in part on the security of employment it can offer.
- 25.03 The parties further recognize that the principles expressed in Clauses 25.01 and 25.02 may come into conflict and may require that employees be laid off.

32.15 Professional Development Reimbursement

The Employer acknowledges that Professional Development referred to in Clause 13.01 is activity required of all Regular Full-Time and Regular Pro-Rated employees, and benefits the Employer. The Employer further acknowledges that such activity shall incur costs in relation to items including but not limited to travel, journal subscriptions, membership fees, conference registration fees, books, non-Employer studio facilities, studio materials and equipment, and undertakes to support such activity wholly or in part by making one thousand eight hundred (\$1,800.00) per fiscal year available to each Regular Full-Time employee for these purposes. For each Regular Pro-Rated employee this amount shall be pro-rated. Professional Development Reimbursement shall be made in accordance with the following procedures:

- (A) such expense shall require approval by the Office of the Vice-President, Academic and Research;
- (B) such approval shall not be unreasonably withheld;
- (C) submission of receipts shall be required before reimbursement can be made; and
- (D) the Employer will follow Canada Customs and Revenue guidelines with regard to reporting requirements. If a reimbursement for equipment is requested, a T4A (taxable benefit) for

income tax purposes will not be issued if the Employee acknowledges that the purchased goods will serve entirely for professional purposes and not for personal purposes. By his/her signature on the PDR claim form, the Employee acknowledges that the purchased goods are the property of NSCAD. Should the Employee leave NSCAD within a three (3) year time frame and wish to retain the item, he/she will have to reimburse NSCAD on a pro rata basis according to the number of years elapsed following the acquisition of the item.

In the eventuality that Canada Revenue Agency does not accept the exemption of such an expense, that expense would become the responsibility of the Employee.

If an Employee does not respect the conditions referred to above, a T4A will be issued for the acquired asset item.

If a reimbursement for personal interest training is requested, a T4A (taxable benefit) for income tax purposes will be issued. The Employee should clearly note on the PDR claim form that the training is for personal interest.

Approved travel shall require employees to ensure that the appropriate Division Chair has been notified of the absence and suitable arrangements have been made for any missed classes.

32.16 Regular Part-Time Professional and Scholarly Activity Fund

The Employer shall allocate funds annually to a Regular Part-Time Professional and Scholarly Activity Fund (the "Fund"). The Fund shall be available to Regular Part-Time faculty whose names appear on the Precedence List, and who have a Part-Time or Sessional teaching appointment during the current year (Summer, Fall, Winter Semesters). The purpose of this Fund is to enhance the ability of Regular Part-Time faculty members to pursue Professional and/or Scholarly Activity which will be of benefit to both the individual and the University. The Employer shall make every effort to obtain a response from Canada Customs and Revenue in a timely fashion. In the event that Canada Customs and Revenue fails to respond within six weeks of the employee's request, the Employer shall proceed to reduce the employee's regular salary by the amount requested and pay that amount to the employee as a research grant with the understanding that any future decision by Canada Customs and Revenue to disallow the grant in lieu of salary will be resolved as per Clause 32.19 (E).

The following provisions shall apply to the consideration and payment of research grants:

- (A) a research grant in lieu of salary shall not be less than one thousand dollars (\$1,000.00) for any month and shall not exceed thirty percent (30%) of the salary that would otherwise be applicable in a calendar year;
- (B) that there is sufficient salary being paid, net of the research grant and taxes, to meet the cost of pension and statutory and insured benefits contributions;
- (C) benefits or pension payments will be based on the salary component received by the employee after the grant is paid;
- (D) the grant will only be used for the research purposes or project for which the application was made;
- (E) any tax issues arising from a particular application shall be between the employee and Canada Customs and Revenue and the employee shall indemnify and hold harmless the Employer for any tax or penalty (including interest) levied by Canada Customs and Revenue against the Employer as a result of the payment of the research grant;

- (F) research grants in lieu of salary shall be paid in a lump sum; and
- (G) all research grant payments shall be reported by the Employer to Canada Customs and Revenue as a research grant.

Dear _____,

Enclosed, please find the candidates dossier along with a detailed curriculum vitae. In accordance with our Collective Agreement, the candidate is permitted to include supporting materials (books, catalogues, papers, etc.) along with their application. These materials may be provided in a format of his/her choosing.

While the materials enclosed will be useful to you in evaluating the candidate’s professional and/or scholarly activity, we expect the review to focus on the candidates career as outlined in the cv, along with the significance of the candidate’s achievements in the publication and/or exhibition record. Please address to what extent _____ has made a contribution to _____ (his/her) field of practice and/or study, as evidenced by the cv and any supporting materials. You should be aware that your response may be made available to the candidate.

We would appreciate your assessment by _____ in order for us to meet the deadlines in the process. If you have any questions please contact _____.

Again, NSCAD is deeply appreciative of your help, and we look forward to hearing back from you.

APPENDIX “F” - Major Recognition

The highest rank will only be awarded where the faculty member or librarian member has received the recognition of peers for his/her performance. While NSCAD University recognizes that “major recognition” will differ by discipline, in most disciplines, employees seeking promotion to the highest rank should have achieved major recognition at the national or international level. Employees who indicate that they have achieved recognition only at the regional level must demonstrate extraordinary breadth and length of commitment and achievement and must indicate why regional recognition is the appropriate criteria for gauging their achievement. The following tables offer examples, neither exhaustive nor prescriptive, which NSCAD University would review to determine evidence of major recognition:

APPENDIX "G" - Supplementary Employment Benefit Plan

See Article 23 – Other Leaves

Purpose

The purpose of the plan is to supplement Employment Insurance benefits paid during periods of pregnancy and parental leave (adoption) to employees of the Faculty Union of the Nova Scotia College of Art and Design ("FUNSCAD"), Unit I, certified by the Nova Scotia Labor Relations Board.

Term of Agreement

The term of the plan will coincide with the term of the Collective Agreement and all subsequent agreements which provide the pregnancy and parental leaves to be supported under a similar plan. The plan will be effective on the date of signing of the current Collective Agreement between the parties and will terminate December 31, 2012 subject to extensions as may be provided under successor collective agreements.

Administration

NSCAD University will administer the plan and, subject to the provisions of the Collective Agreement and the provisions contained herein, will be the only authority for determining eligibility for benefits under the plan.

Plan Funding

NSCAD University's contribution to the plan will be paid from operating funds. A separate accounting will be maintained on all payments. Since no trust fund will be established, the employees will have no vested interest in such a fund.

Eligibility

- (A) Any employee, as defined in the Collective Agreement, having been employed with NSCAD University for a minimum of six (6) months, who is granted pregnancy leave consistent with Clause 23.06 of this Collective Agreement will be eligible for benefits under the plan, or
- (B) Any employee, as defined in the Collective Agreement, having been employed with NSCAD University for a minimum of one (1) year, who is granted Parental Leave for Adoption consistent with Clause 23.08 of this Collective Agreement will be eligible for benefits under the plan, provided the employee has:
 - (i) applied for the Employment Insurance benefits;
 - (ii) complied with the reporting requirements of Human Resources Development Canada and NSCAD University; and
 - (iii) qualified under the Employment Insurance Act for Employment Insurance benefits as determined by Human Resources Development Canada and supplementary benefits as outlined herein.

The employee will be required to supply the Employer with proof that she/he qualifies for Employment Insurance benefits and is in receipt of such benefits.

An employee disentitled or disqualified from receiving benefits is not eligible for Supplementary Employment Benefits under this plan.

Benefit

The benefit payable by NSCAD University under the plan is a bimonthly amount, which combined with the Employment Insurance benefit and any other earnings will equal ninety-five percent (95%) of the employee's normal pay over the period of pregnancy leave or parental leave. Benefits will be paid up to a maximum of fifteen (15) consecutive weeks for Pregnancy Leave and ten (10) weeks for Parental (Adoption) Leave preceded by an Employment Insurance waiting period of two (2) weeks. All amounts paid under the plan will be subject to normal income tax deductions.

Benefit Non-Entitlement

- (A) Total benefits (including the payment by the Employer) are not payable for any period in which the employee is disqualified or disentitled from receipt of benefits under the Employment Insurance Act as determined by Human Resources Development Canada.
- (B) Benefits are not payable if:
 - (i) the employee has been dismissed or suspended as per Clause 19.03 of the Collective Agreement;
 - (ii) the employee has terminated her/his employment through resignation;
 - (iii) an application is made during a period when the employee is currently on strike, participating in picketing or concerted work interruption;
 - (iv) the employee is on an approved leave of absence without pay; or
 - (v) the employee is receiving Insurance benefits under NSCAD University's Long Term Disability plan.

Application for Benefits

- (A) An employee may make application to NSCAD University for pregnancy leave commencing at any time from a day sixteen (16) weeks immediately preceding the specified date of delivery. Application should also be made at the same time to Human Resources Development Canada so that, if the employee qualifies for benefits, they may commence at the end of the two (2) week waiting period.
- (B) An employee wishing to apply for parental (adoption) leave should provide NSCAD University with as much information as possible regarding the probable dates of the leave.
- (C) A claimant for benefits under this plan must sign an undertaking with NSCAD University on a prescribed form (see end of this Appendix) providing that:
 - (i) she/he will return to work on the working day immediately following the expiry date of her pregnancy or parental leave, or any authorized extension thereof, and
 - (ii) she/he will remain in the employ of NSCAD University for at least seventeen (17) weeks following her return to work, and
 - (iii) should she/he fail to return to work as provided under (i) above, NSCAD University, at its option, may require her/him to repay the full amount of the Supplementary Employment Insurance Benefits received during the entire period of the pregnancy leave or parental (adoption) leave, and
 - (iv) should she/he leave NSCAD University's employ before the seventeen (17) weeks have elapsed as provided under (ii) above, NSCAD University, at its option, may require her/him to repay a proportion of such benefits equal to that proportion of the seventeen (17) week period she/he has not worked.

Benefit Adjustment

If NSCAD University determines that any benefit paid under the plan should not have been paid or should have been paid in a lesser amount, the amount of overpayment will be recovered from any subsequent benefit payable under the plan, or by making a deduction from any future moneys payable by NSCAD University to the employee.

Other Benefits

The employee's portion of the applicable premiums and pension contributions would be deducted from the Supplementary Employment Benefit payments made by NSCAD University up to a maximum of seventeen (17) weeks.

Modifications

NSCAD University will inform Human Resources Development Canada of any changes in the plan within thirty (30) days of the effective date of the change.

Interpretation/Grievances

No question involving the interpretation or application of Human Resources Development Canada portion of the benefit will be subject to the formal grievance procedure provided for in the Collective Agreement between NSCAD University and FUNSCAD Unit I, acting as bargaining agent for the employees covered by the plan.
