Associate Membership in CAUT for Contract Academic Staff

The Canadian Association of University Teachers is the national voice of academic staff in Canada. Representing 66,000 teachers, librarians, researchers and other academic professionals, CAUT defends academic freedom and seeks to improve the quality and accessibility of public post-secondary education in Canada. From lobbying governments to providing collective bargaining and legal support, CAUT actively advances the social and economic interests of academic staff. CAUT offers conferences, courses and workshops on a range of issues, investigates threats to academic freedom, undertakes extensive research and works in national and international coalitions with like-minded organizations.

If you are ineligible for membership in a CAUT-affiliated academic staff association, you may join CAUT as an Associate Member (CAS). An associate membership keeps you connected with CAUT and provides an opportunity to participate in its various activities, including service on committees.

An associate membership in CAUT provides:

- a subscription to the CAUT Bulletin
- eligibility to hold office in CAUT, serve on CAUT committees and participate in CAUT conferences and campaigns
- access to financial programs and CAUT group insurance programs for Life, Home and Auto insurance
- special discount rates for rental vehicles

The fee for an Associate Membership (CAS) is \$43.00/year. To apply, fill out the form below and return it with your cheque to: CAUT, 2705 Queensview Drive, Ottawa, ON K2B 8K2
