Re: **Release of University and College Academic Staff Salary (UCASS) Data
Final 2017-2018**

The 2017-18 final UCASS data by institution is now available and can be downloaded from the member's only area of the [CAUT website](http://www.caut.ca). New this year, members can access the number of new appointments at Canada's postsecondary institutions.

The salary data is for non-medical dental faculty and is grouped by institution, administrative duties, education, and age.

Salary data by sex and subject – both 2-digit and 3-digit CIP – is available to members upon request. Medical dental faculty data is also available.

If you have any questions, please contact CAUT Research Officer, Louise Birdsell Bauer at birdsellbauer@caut.ca.
