**Re: Final Deadline Extension: Post-Secondary Counselling Sector Survey**

At the 87<sup>th</sup> CAUT Council meeting, delegates passed a motion resolving that CAUT initiate a cross-country survey of post-secondary counselling centres to identify issues facing counselling members in light of increasing demands for mental health services on campus.

To best assess the issues facing this group, CAUT is distributing a survey to individual counsellors and mental health professionals at post-secondary institutions across Canada. We expect the results of this survey to be made available to CAUT members this coming Fall.

The deadline for the survey has been extended for a final time to **September 24, 2021**.

If you have any questions about the survey, or if you know of eligible members of your association who have not received the survey, please contact [CAUTresearch-rechercheACPPU@caut.ca](mailto:CAUTresearch-rechercheACPPU@caut.ca).
