Re: **Internal Academic Staff Association Policies**

To assist academic staff associations in identifying policies that should be in place to protect their members and avoid legal exposure, CAUT has created a repository of internal association governance policies.

These internal policies can be accessed in one of two ways: by topic or by province / association. To access the policies, please login to the "[Members' Area](#)" of the [CAUT website](#). Once logged in, select "Member Association Tools".

If you have any questions or if you would like to have your association's internal governance policies added to the repository, please contact us at research@caut.ca.
