**Re:** **CAUT's 6<sup>th</sup> Equity Conference**  
**Friday, February 10 and Saturday February 11, 2023**  
**Delta Ottawa City Centre Hotel / 10:30am – 5:00pm (Eastern Time)**

CAUT's 6th Equity Conference will bring together equity and academic staff association activists from across the country to share and develop ways to more effectively advance equity. Participants will hear about efforts taking place across the country and, working from a real-life scenario, will exchange know-how and knowledge on how to identify and strengthen concrete approaches to better achieve equitable, diverse and inclusive campuses.

The event provides an important opportunity for members of your association – officers, executive members, chief negotiators, equity activists, and other interested members --- to meet colleagues from other associations, share experiences and ideas and build a network of contacts and support.

The preliminary conference agenda is available [here](#).

## Registration

The online registration form, hotel and travel information, and CAUT meeting and travel policies are available on the CAUT website at: <https://www.caut.ca/event/6th-caut-equity-conference>

The conference will be held in a hybrid format to allow participants to attend in person or online. Due to technical limitations in organizing a hybrid format, some breakout sessions will not be available for online participants.

The conference will be conducted in English and French with simultaneous translation.

Please circulate the information about *Activism for Equity* widely among your membership. We hope that each association will sponsor several of its members to attend.

If you have any questions or would like more information about the conference, please contact Pam Foster ([foster@caut.ca](mailto:foster@caut.ca) / 613-820-2270 x195).
